

**A.**

Fan can be angled with the included tilt strap for maximum versatility

## A. Adjustable Box Fan Holder

A must-have in any barn, this convenient box fan holder maximizes air circulation for increased comfort. Its heavy-duty design accommodates most 20" box fans and features quick release buckles for easy fastening and slides for precise adjustment. A separate tilt strap is included, allowing user to adjust the fan to just the right angle.

- Black 1" nylon webbing
- Black plastic quick-release buckles and slides

**35-8130**

**SUPER SELLER!**

## B. Multipurpose Tie Straps

From latching gates and hanging feed buckets to holding show panels together, these handy straps have a variety of uses. Perfect additions to any showbox, these straps feature a 2-1/2" spring buckle on one end with teeth that ensure a secure grip.

- Black 1" nylon webbing
- Nickel plated hardware
- Not designed for animal tie out

**35-8131** 1" x 2'

**35-8132** 1" x 3'

**C.**

Calf puller style goes around the body for support and extra leverage

**35-8015**  
One Man Calf Puller

Rings at center of straps are ideal for attaching to mechanical pullers to get critical leverage

## C. Obstetrical Straps

In a bright blaze orange color, these nylon obstetrical straps are easy to find in barns, grassy fields and snowy conditions. The soft nylon construction won't gouge or bind tender limbs, increasing animal comfort. Three different styles are available to accommodate varying customer preferences.

- Blaze orange nylon webbing
- Nickel plated hardware

**35-8013** 2-Dee Style, 1" x 30" or 60"

**35-8015** One Man Calf Puller Style, 1" x 103"

**35-8016** 4-Ring Style, 5/8" x 40"

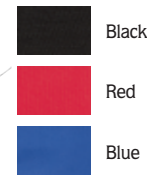

## D. Hay Bags

Minimize hay loss with these durable, easy-to-fill hay bags. They feature a round feed hole for easy access, an inner liner for added durability and a dee on the back for easy snap attachment.

- Black, red or blue

**35-1384**

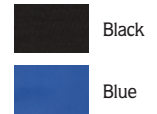

## E. Rope Hay Bags

Featuring a basic rope design, these hay bags are ideal for holding hay at shows or at home. These economical bags come in two versatile sizes to suit a variety of customers.

- Measure 36" (small) or 42" (large)
- Black or blue

**35-4042**

## F. Rolling Hay Bale Bag

Make the chore of carrying hay easy and convenient with this hay bale bag on wheels. The durable wheels are designed for rolling over uneven terrain, ensuring consistent, dependable use. This roomy bag unzips on three sides for ease in loading and unloading hay while air ventilation holes help keep hay dry.

- Handles on sides and ends
- Features front rubberized mesh pocket and side zippered pocket
- Measures 24" W x 45" L x 14-1/2" D
- Black

**65-2371**

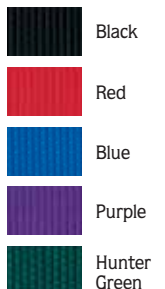

Durable wheels and convenient handles make transporting hay easy

## G. Hay Bale Bag

This economical, basic design features two webbing handles for easy carrying and air ventilation holes that help keep hay dry. Three sides of this bag unzip, offering easy access for quickly loading and unloading hay.

- Measures 17-1/2" W x 38" L x 16" D
- Black

**65-2370**

## H. Nylon Bucket Straps

Quickly and easily attach a bucket to a fence post with these nylon bucket straps.

- Nickel plated hardware
- Measure 1" x 22"
- Black, red, blue, purple or hunter green

**35-7065**
