A. Andis® RC Heavy-Duty Cordless Cattle & Horse Clipper

A great clipper to take to shows, this convenient cordless design is ideal for clipping and fitting cattle and horses. With the same power as a corded clipper, it will clip for up to one hour on a full charge.

- Blade speed of 2,100 strokes per minute
- Comes with Endurance® #31-15 blade (65-1830), 4 oz. clipper oil, screw-driver, blade brush, carrying case and instruction manual

65-1800

B. Andis® HC Cattle & Horse Clipper

The ideal choice for clipping and fitting cattle, horses and other large animals, this compact, lighter weight clipper is designed for cool, quiet and virtually vibration-free operation. Thermal overload protection helps prevent accidental damage to the motor.

- Blade speed of 2,200 strokes per minute
- Comes with Endurance® #31-15 blade (65-1830), 4 oz. clipper oil, screw-driver, blade brush, carrying case and instruction manual

65-1801

C. Andis® Super AGR+® Cordless Rechargeable Clipper

With a convenient cordless design and high capacity battery pack, this versatile clipper can perform heavy-duty work for one hour of total run time and will recharge in one hour or less.

- Blade speed of 3,800 strokes per minute
- Comes with CeramicEdge® size 10 blade, removeable battery pack, Sensa-Charge® charging system, 4 oz. clipper oil and carrying case

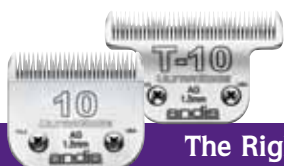

65-1802

D. Andis® Excel Variable 5-Speed Detachable Blade Clipper

With a powerful, 5-speed rotary motor design, this clipper is great for complete animal grooming. Lower speeds provide cooler operation and are great for clipping around sensitive areas while the higher speeds provide a prettier coat finish.

- Blade speed up to 4,500 strokes per minute
- Comes with CeramicEdge® size 10 blade and 4 oz. clipper oil

65-1811 Pink

THE WINNER'S BRAND® 

E. Andis® SMC Excel™ Variable 5-Speed Clipper

The lower speeds of this 5-speed powerful rotary motor clipper run cooler for clipping around sensitive areas while the higher speeds produce a prettier coat finish. The detachable blades on this clipper are easy to change and clean.

- Blade speed up to 4,500 strokes per minute
- Comes with UltraEdge® super blocking blade (65-1833) and 4 oz. clipper oil

65-1803

F. Andis® AGCL LightSpeed™ Cattle Clipper

The industry's first illuminating cattle fitting clipper features four no-heat, ultra bright LEDs for safer and more precise clipping of dark shadowed areas. Detachable blades are easy to change and clean.

- Blade speed of 4,400 strokes per minute
- Two-position switch for quiet, high-speed clipping with or without lights
- Comes with UltraEdge® super blocking blade (65-1833) and 4 oz. clipper oil

65-1804

G. Andis® AGP Super 2-Speed® Cattle Clipper

This clipper features a quiet, 2-speed rotary motor for fast cutting and extra power. Normal speed is great for general clipping while high speed provides faster cutting of heavy coats. The 4 x 4 blade drive has 25% more blade torque for heavy-duty use. Detachable blades are easy to change and clean.

- Blade speed up to 4,400 strokes per minute
- Comes with UltraEdge® super blocking blade (65-1833) and 4 oz. clipper oil

65-1805

H. Andis® Progress™ Cattle & Horse Clipper

This durable, cool clipper is designed for clipping and fitting cattle and horses and features a slimmer, more comfortable grip and a lightweight design for greater control and less fatigue. Great for shows!

- Blade speed of 2,400 strokes per minute
- Comes with Endurance® #31-15 blade (65-1830), 4 oz. clipper oil, screwdriver, blade brush, instruction manual and sturdy carry case

65-1809

NEW!

65-1806

"In my opinion, these clippers are the best out there and when you look around, you'll see them in the hands of most fitters. Andis® clippers are durable, quiet and can be used for many applications from clipping to show day grooming. Plus, the variety of blade options makes it easy to get just the right look on your animals. Andis® takes great pride in bringing innovative new products and improvements to the table that the industry needs."

**The Right Blades!**

See pages 62 & 63 for our full assortment of replacement blades for quality Andis® Clippers.

A. Andis® UltraEdge® AGC2 Super 2-Speed® Clipper

This detachable blade 2-speed cattle clipper with break-resistant housing material runs quietly to keep sensitive animals calm and comfortable. The sealed motor runs extremely cool, eliminating the need for fans and air vents that can become clogged with hair. A locking switch button helps prevent accidental shut-off. This clipper is perfect for blocking, trimming or carving.

- Blade speed up to 4,400 strokes per minute

- Comes with UltraEdge® super blocking blade (65-1833) and 4 oz. clipper oil

65-1806 Blue

65-1807 Silver

B. Andis® AGC Super 2-Speed® Cattle Clipper with Blocking Blade

With an ergonomic shape for a comfortable grip, this detachable blade 2-speed cattle clipper with shatter-proof housing material runs quietly to keep sensitive animals calm and comfortable. The sealed motor runs extremely cool, eliminating the need for fans and air vents that can become clogged with hair. Great for blocking, trimming or carving.

- Blade speed up to 4,400 strokes per minute

- Comes with UltraEdge® blocking blade (65-1831), 4 oz. clipper oil, complete step-by-step grooming instructions and a sturdy carrying case

65-1808

C. Andis® MBG2 Detachable Blade Animal Clipper

With an extremely quiet, maintenance-free and powerful rotary motor, this clipper is perfect for complete animal grooming. The break-resistant housing material is built to last and is designed for comfortable use. Detachable blades are easy to change and clean.

- Blade speed of 3,800 strokes per minute

- Comes with UltraEdge® size 10 blade (65-1839), 4 oz. clipper oil and sturdy carrying case

65-1816

THE WINNER'S BRAND® 

D. Andis® Cool Care Plus®

In one easy step, this product acts as a coolant, disinfectant, lubricant, cleanser and rust inhibitor on clippers and trimmers. A high pressure comfort tip nozzle easily sprays hair out of the blade teeth. Blades do not need to be removed from clipper before application.

65-1850 15.5 oz.

E. Andis® Clipper Oil

This colorless, odorless formula in a no-spill bottle can be used multiple times daily to keep clippers, trimmers and even shears in great working condition.

65-1851 4 oz.

F. Andis® Batteries

- Replacement battery packs for the 65-1800 and 65-1802 Clippers

65-1861 for 65-1800

65-1862 for 65-1802

G. Andis® Blade Drive

- This 4 x 4 blade assembly fits onto our 65-1802, 65-1803, 65-1804, 65-1805, 65-1806, 65-1807, 65-1808, 65-1811 and 65-1816 Clippers

65-1860

H. Chrome Magnetic 8-Piece Comb Set

The powerful magnets on these combs firmly secure to the blade without slippage while the smooth chrome finish allows hair to easily feed through the comb for faster and smoother cutting action.

- Combs easily fit all #10 clipper blades

- This set includes the best selling sizes: #0 (5/8", 16 mm); #2 (3/8", 10 mm); #1 (1/2", 13 mm); A (3/4", 19 mm); B (13/16", 21 mm); C (7/8", 25 mm); E (1", 25 mm); F (1-1/4", 32 mm)
