

GOAT

"Our leather handle goat collars have consistently been among our top selling livestock items and we continue to see increased demand for these collars in the goat industry. By offering three sizes in a chain or pronged style, our leather goat collars work well for market wethers up to mature breeding stock."

A. Leather and Chain Goat Collars

Constructed from rolled chestnut bridle leather with smoothed and darkened edges and a durable chrome plated chain, these are our most sought after collars! The 5/8" rolled bridle leather is soft, smooth and feels great in the hand while helping the handler maintain control. Chrome plated snaps fasten easily into any chain link for a perfect fit.

- Available in 24", 26" or 28" overall length (including handle)
- Chrome plated hardware
